REMANUFACTURED EQUIPMENT

K+S Services has over 40,000 remanufactured spare parts ready for immediate sale or exchange. Our philosophy for all Remanufactured spare parts is that each unit is fully system tested in a “closed loop” environment to ensure proper operation. We also provide a full One Year Warranty on all remanufactured spare part purchases. In addition, if you have any excess equipment that you are wondering what to do with it besides paying a company to haul it away, K+S is interested in buying those items, send us your list today and take a Green Approach!

ABB
Allen Bradley
Bailey
Bosch
Cutler Hammer
Fanuc
General Electric

All Units Are System Tested
