

PF4000 Graphing and Compact Controllers

K+S Services has multiple PF4000 controllers for sale. These controllers are no longer available from the OEM. Get them while you can!

Each controller has been fully refurbished and system tested. Controllers can be preloaded with customer requested software and all units are backed by the standard 12-month warranty.

- **Graphing Controllers**
 - Model: PF4000-G-HW
 - Price: \$3,250
